## Cum obții datele din portalul de Open Data?

- 1. Intri pe <u>https://tranzy.ai/opendata/</u>
- 2. Cu un simplu click pe "Get your API key", ești redirecționat automat către portalul de Open Data.

tranzy ai The True Al urban mobility platform	Open data	Our vision	Mobility solutions 👻	EN
Public Open Data is data that can be freely used, re- used and redistributed by anyone – subject only, at most, to the requirement to attribute and sharealike.				
Read more V				
What kind of data should not be open?	1	Access	data feeds	
<u>Personal or privacy related data</u> , which does not contain information about specific individuals, commercially sensitive data or national security government related data should not be part of the Public Open Data.		P Get y	Your API key	
How it works and why is it good for all of us?	/	/		
Publishing open data creates a virtuous circle that benefits those using and delivering transport networks.	/			
<u>Public Open Data</u> that can be freely used, re-used and redistributed by anyone can sup operational service improvements, the development of new customer facing products a services, increase transparency and innovation and challenge existing ways of working.	port Ind			
Private Open Data sets (such as proprietary processed data) will be available also to tho who can complete specific challenges, launched by the Municipalities or Public Transpo	se rt			

 Ulterior, îți creezi un cont în portalul de Open Data; nu uita să te alături comunității de pe Discord unde poți primi suport specializat.
